PIRATEER

Barb,
I find it hard to believe that I am having difficulty saying something to you. A lot of things have affected me but I think you're aware now of the impact you've had on me. I'll always remember you. Thanks for everything.

Your lovin' friend,

BARB NEMETH

Barb,
Hard to imagine what high school would have been without you and for that matter what the band would have been like. You're really beautiful, but still crazy, just like your sister Diane D. I wish I could have gotten closer to you, but I don't think our personalities go together too well, too bad. Good luck in the future, I know you'll do well in everything and maybe I'll see you at M.E. next year.

love, Doug Kelly '77

Barb,
Thanks for all the help on the French Tests. Have a good summer and a lot of fun in college.

There are so many things that we've done that we must never forget – Going to the movies and watching that foxy Tommy Ross on "Carrie", How 'bout that Time we TOILET papered Jim Kelleher's house – and when we, You, Pat, Jon, and Sara went T.P. and Sara was so scared –

All our Band competitions – Boy there are so many memories – good times – Don't ever forget them cause I won't – I'm really gonna miss you and Diane – You two were so crazy –

HARVEST OF MEMORIES

As we grow old and gray
And lose our features of fairness and beauty
There will always be those things so sweet,
so dear, to everyone
The things that no one, not even time, can take
from us,
These, my friends, are memories.

Our friends in time will leave our side
And go their special ways, in search
of things never quite found.
On their travels they'll take with them,
Some special friends they'll never forget.
These, my friends, are memories.

The time will come when we ourselves are
all alone,
When not even our own children will drop by
And our time will be but to ourselves.
We'll sit alone by the fireside
And remember things of old gone by
And what we ourselves in time will be
As the last spark of life burns out within us.
These, my friends, are memories.

Barb,
Thanks for just being you cause I've really enjoyed being a friend of yours this year. I'm sad that we have to go our separate ways after Grad Night but I've got a lot of memories stored in my mind that will remind me of the great times we've spent. Band was one of the best things that has happened to me cause I met so many fantastic people. This picture I'm sure will remind you of how crazy I am but I had a lot of fun acting the fool. Best of Luck always I'm going to miss you when I go

Barb,
I wish I could have known you better
but at least I did meet you. Maybe
sometimes soon I'll know you better
You'll go far in life in whatever

Barb,
This year has
gone fast hasn't it.
I mean it only seems like
yesterday I walked in
~~this~~ band room for the first time
and now it's about the millionth.
Since the first day in band, about
3 years ago when I first seen you, I
thought to myself "Yipe a person I won't
you've got to know". I still remember the
first time you spoke to me. It was
2 weeks after school started and you were calling all
the clarinets to ask them to go sell band calendars. Well
it's been a long time since then and I'm glad I got to know
you. You're really a nice, intelligent and beautiful
person and a great clarinet player (not to mention a super drum major).
Good Luck in your future and I hope you find a lot of
happiness

Barb - Remember back when we were freshman and we had those 2 weeks of so called "marching workshops" for band? Remember how you guys were the snobby people from Lincoln & me from Jefferson? That was sure funny. Remember having to call Chuck - Mr. Dube & Dean - Mr. Baldridge & we didn't know which one was who! We weren't very good friends back in our freshman year until me & Donna started hanging around with you & Diane. From then on watch out! Remember all the houses we TP'd. Which reminds me that - I have never gotten your house! Watchout!!! Remember Vancouver & all the fun we had at Drum Major Camp. Remember following Bob & Gary around. They were sure good looking! Well now we will be graduating in 3 days. I am so glad that we became friends. You are a very sweet person. I hope you better keep in touch in the future. I wish you all the luck in the world in whatever you do. If you go to MC I'll see you but we'll have a fantastic summer. Take care of yourself
Love & Friendship always

Barb,
I'll miss you.
I think that you
were a great inspiration
to the band and everyone
else around you! I wish you
much success. God Bless you and
Good Luck!

Barb,

It's really been great knowin' ya

Well Barb,
I guess this is it.
You will be leaving.
Even though I just met
you this year, we have had
some great times! Remember
when you guys threw me into
the showers with the powder. It
was funny. I wish you the best
of luck in the future! Have a great
summer! Love always,
Marianne

Barb,
I'll really miss you. It'll be weird, not having you for our drum-major.
I guess you and Diane were my friends this year, and the band won't be the band without you and Diane. Please come back and see us next year.
Good Luck throughout your life, and I hope you get everything you want for your life.
(Herbie sends his love.)
Love and best wishes always, Cheryl Gaines
Barb,

Dearest Barb,

I can't express what I really want to express for it will bring tears to my eyes when I start to mentioned how much you have meant to me for so long. I have seen your out-going personality in some many ways and moods I even got to see you crowned for home-coming which I'm glad to say. You will always be the one person besides others, that I will cherish through-out eternally. For our friendship has grown from his and lyes to hows life and all. I'm really, truly going to miss your smiles, laughter, crys, screams, whistles, faces of expressions and your fellowship that has made my senior year at O.H.S. the very best. For you really lightened everyone's life when your around. We (O.H.S.) is really going to have a great loss but Long Beach State will have an abundant gain for your the best in the west.

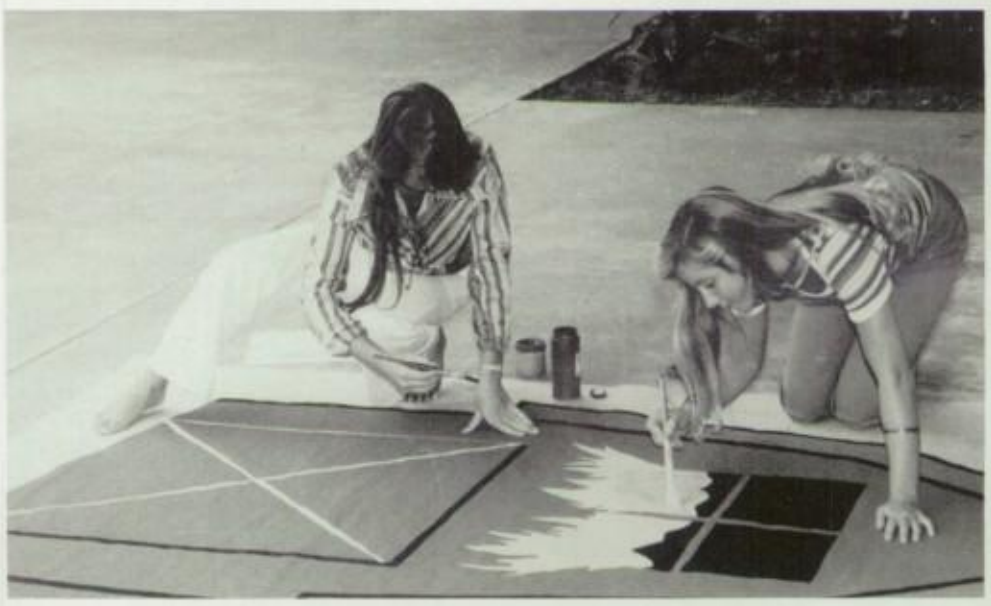
THESE, MY FRIENDS,



ARE MEMORIES!

Barbara,
It seems everyone
you know has written
you a book, I guess
I'll have to be different
once again and limit
myself to just a few lines
due to lack of space and
lack of things to say.
I'll stick to the old square
a for you're sweet and
it's going to be
impossible not
to miss
you. Take
it easy and
take care of
yourself
Love
Karl

Barbara—
Thanks for a great four years. Your contributions to the bands at OHS have been many — all of them well done. Our success has in no small part been due to the musicianship and leadership you have shown, and I wish you continued growth and success. I have enjoyed knowing you not only as a member of our bands, but as a friend. I hope the concepts you have learned carry you far. As drum major and as musician you can be proud of your accomplishments — you have many trophies and memories of honor band experiences that will serve as reminders. Your future cannot help but be bright with the light from such a meaningful past. I wish you nothing but the best, for that's what you've given us all.

Love, Bob Jakseth
